"Dedicated and Dynamic Educator Passionate about Inspiring Students to Reach Their Full Potential"

PROFESSIONAL EXPERIENCE

AIFER EDUCATION 2023- 24

CUET PG ECONOMICS ACADEMIC COORDINATOR

- I've gained experience in leadership, curriculum planning, team management, student support, scheduling, communication, problem-solving, and adaptability

CUET PG ECONOMICS FACULTY/CUET UG PAPER 1 FACULTY

- I have acquired strong academic knowledge, effective teaching skills, and in-depth expertise in the CUET exam pattern, syllabus, MCQ practice, student guidance, and exam-oriented strategies.
- Additionally,
- I have developed expertise in building competitive exam students by enhancing their conceptual clarity, problem-solving skills, time management, strategic preparation, and stress management through structured guidance and consistent practice.

SUBJECT MATTER EXPERT - ECONOMICS

- As a Subject Matter Expert, I have earned skills in deep content knowledge, research proficiency, critical thinking, curriculum development, problem-solving, analytical reasoning, effective communication, and mentoring.
- **HAPPINESS OFFICER**
- As a Happiness Officer, I have earned skills in enhancing customer experience, effective communication, conflict resolution, empathy, problem-solving, relationship management, and creating a positive and engaging environment.

XYLEM LEARNING 2022 - 2023

+ 2 ONLINE MENTOR

- Working as an academic mentor in the +2 field for a year has helped me build strong communication skills, effectively engage with both students and parents, develop problem-solving abilities, provide academic and emotional support, enhance counseling skills, and gain experience in student performance tracking and motivation.

NEET CRASH - OFFLINE MENTOR

- Additionally, my experience as a NEET offline mentor has taught me how to build strong students for competitive examinations by focusing on conceptual clarity, disciplined study plans, strategic MCQ practice, and stress management techniques.

ECODOMAIN

CUET PG ECONOMICS FACULTY /SUBJECT MATTER EXPERT

- Under the faculty of Ecodomain, I have learned a lot, becoming strong in both academic and non-academic aspects, including subject expertise, effective teaching methods, mentorship skills, student engagement, and overall professional development.

CUET TUTORIUM - CUET UG ECONOMICS FACULTY

- By working as a CUET UG faculty, I have learned how to effectively guide beginners in cracking competitive exams, both academically and non-academically, by focusing on concept-building, strategic preparation, time management, exam temperament, and motivational support.
